

How to Update *DNS Records*

1. Use this link to open browser <https://w3infotech.com/login>

Enter the following information:

- Username: *your mail address*
- Password: *your password*

The screenshot shows the W3infotech website's login page. At the top, there is a navigation bar with links for HOME, WHOIS LOOKUP, MANAGE DOMAIN, SUPPORT TICKETS, and CONTACT US. Below the navigation bar is a header with the W3infotech logo and the word "Login". The main content area is titled "Login Customer" and contains a form with two input fields: "Email" and a password field. A red box highlights the "Email" field, and a red arrow points to it from the left. Another red box highlights the password field, and a red arrow points to it from the left. Below the password field is a "LOGIN" button, which is also highlighted with a red box and a red arrow pointing to it from the right. To the right of the form is a "NEW CUSTOMER" section with the text "Register as a new customer and manage your account" and a "CREATE AN ACCOUNT" button. Below the "LOGIN" button is a link for "Forgot Your Password?". At the bottom of the page is a blue footer bar with a menu icon, the email address "INFO@W3INFOTECH.COM", a phone icon, the phone number "+91-484-48-513-88", and a "CONTACT US" button.

2. After Login view My Account Page and Select **Domains** tab:

The screenshot shows the W3infotech My Account page. The navigation bar includes the logo and links for HOME, WHOIS LOOKUP, MANAGE DOMAIN, and SUPPORT TICKETS. Below the navigation bar are seven circular icons representing different account services: ACCOUNT PROFILE, DOMAINS & SERVICES (highlighted with a red box), SEARCH DOMAINS, TICKETS, RENEW DOMAINS, BILLING, and W3I CLOUD EMAIL. Below the icons is a horizontal menu with tabs for ALL, REGISTERED DOMAINS, PENDING DOMAINS, EXPIRED DOMAINS, and SERVICES. A red arrow points from the 'DOMAINS & SERVICES' icon to the 'REGISTERED DOMAINS' tab. Below the tabs is a table listing registered domains.

7. Edit / **Update A Records**

- “ @ or * “ not required

The screenshot displays the 'A Records' management page for a domain. At the top, there is a navigation bar with the W3infotech logo and the tagline 'Brandable Domains Forever!', along with links for HOME, WHOIS LOOKUP, MANAGE DOMAIN, SUPPORT TICKETS, and CONTACT US. Below the navigation bar, the 'A Records' section is highlighted in blue. It contains a form with 'Host Name' and 'IP Address' input fields, and an 'Add A Record' button. A red arrow points from the 'Add A Record' button to the 'Available A Records' table. The table has two columns: 'Host Name' and 'Actions'. The first row shows an empty 'Host Name' field with '.w3.ae' as the domain suffix, and an IP address of '209.59.138.143'. The second row shows 'www' as the host name with the same IP address. Both rows have an 'Update' button. A red box highlights the text '@ or * not required' in the 'Host Name' column of the first row. Below the table, there are buttons for other record types: MX Records, TXT Records, CNAME Records, SRV Records, and SPF Records, each with a plus sign to expand.

8. Edit / **Update MX Records**

- **Priority should be Compulsory**

The screenshot displays the W3infotech DNS management interface. At the top, the navigation bar includes the W3infotech logo, the text "ns1.w3infotech.net", "ns2.w3infotech.net", and menu items: HOME, WHOIS LOOKUP, MANAGE DOMAIN, SUPPORT TICKETS, and CONTACT US. Below the navigation bar, there are several expandable record type sections: A Records, MX Records, TXT Records, CNAME Records, SRV Records, SPF Records, and SOA Records. The MX Records section is expanded, showing a form with the following fields: Mail Domain (w3.ae), Mail Exchanger, and Priority. A green "Add MX Record" button is located to the right of the Priority field. A red box highlights the Priority field, with a red arrow pointing to it from a red text box that says "Priority Should be Compulsory". Another red box highlights the Mail Domain field, with a red arrow pointing to it from a red text box that says "@ or * not required". A third red box highlights the Mail Exchanger field, with a red arrow pointing to it from a red text box that says "@ or * not required". Below the form, there is a grey bar labeled "Available MX Records".
