

HOW TO CHECK WEBMAIL

STEP 1

Use this link to open browser www.mailg.cloud

The screenshot shows a web browser window with the URL `mailg.cloud/interface/root#/login`. The page features a login form with the following elements:

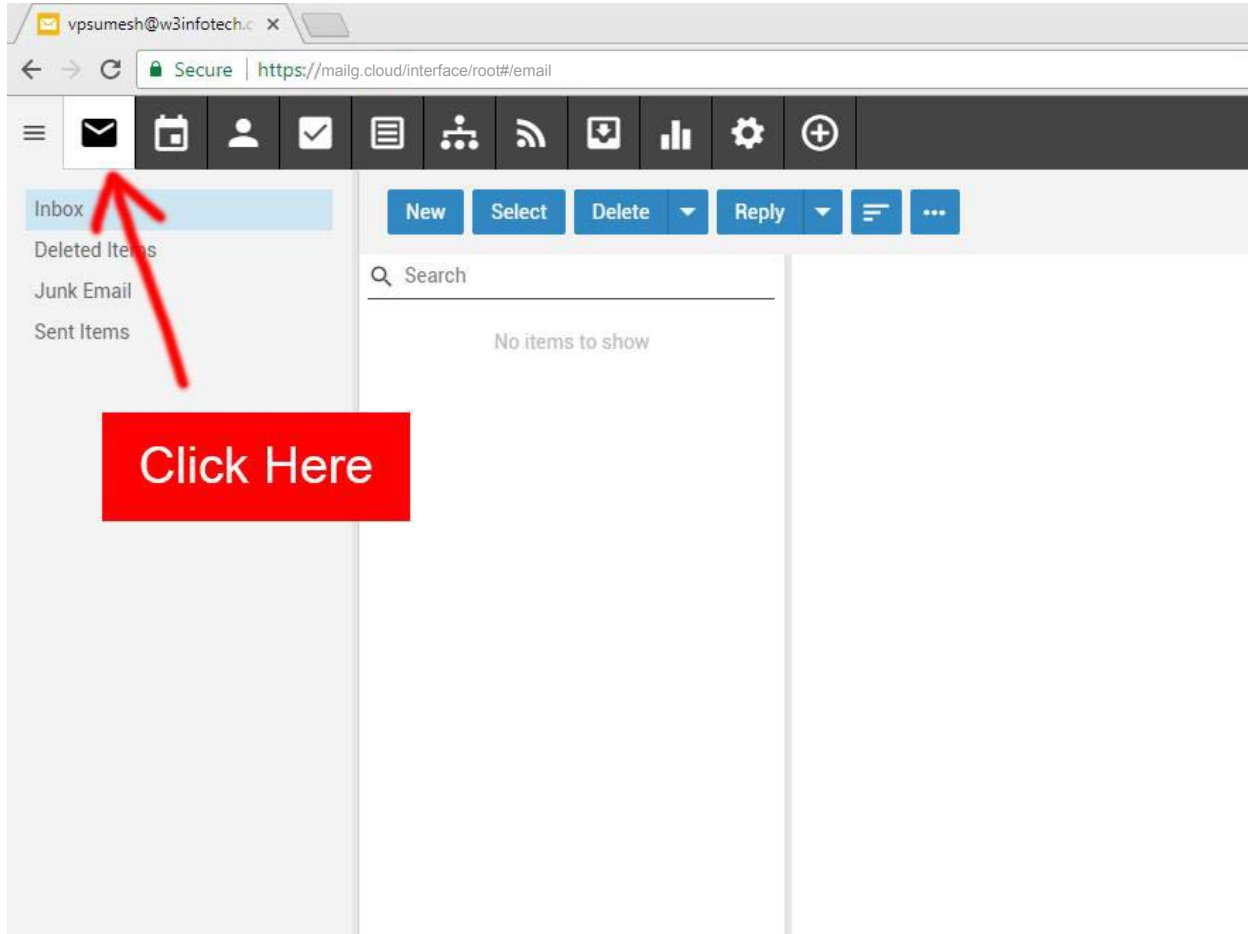

- Logo: A stylized '3' with red, green, and blue stripes.
- Slogan: "Brandable Domains Forever !"
- Form fields:
 - "Email Address *": A text input field with a red error message "This field is required." below it.
 - "Password *": A text input field.
 - "Language": A dropdown menu currently set to "English".
- Options: A "Remember Me" toggle switch.
- Buttons: A "Forgot your password?" link and a blue "Login" button.

Two red callout boxes with arrows point to the form fields:

- A box labeled "Enter Email" points to the "Email Address" field.
- A box labeled "Enter Email Password" points to the "Password" field.

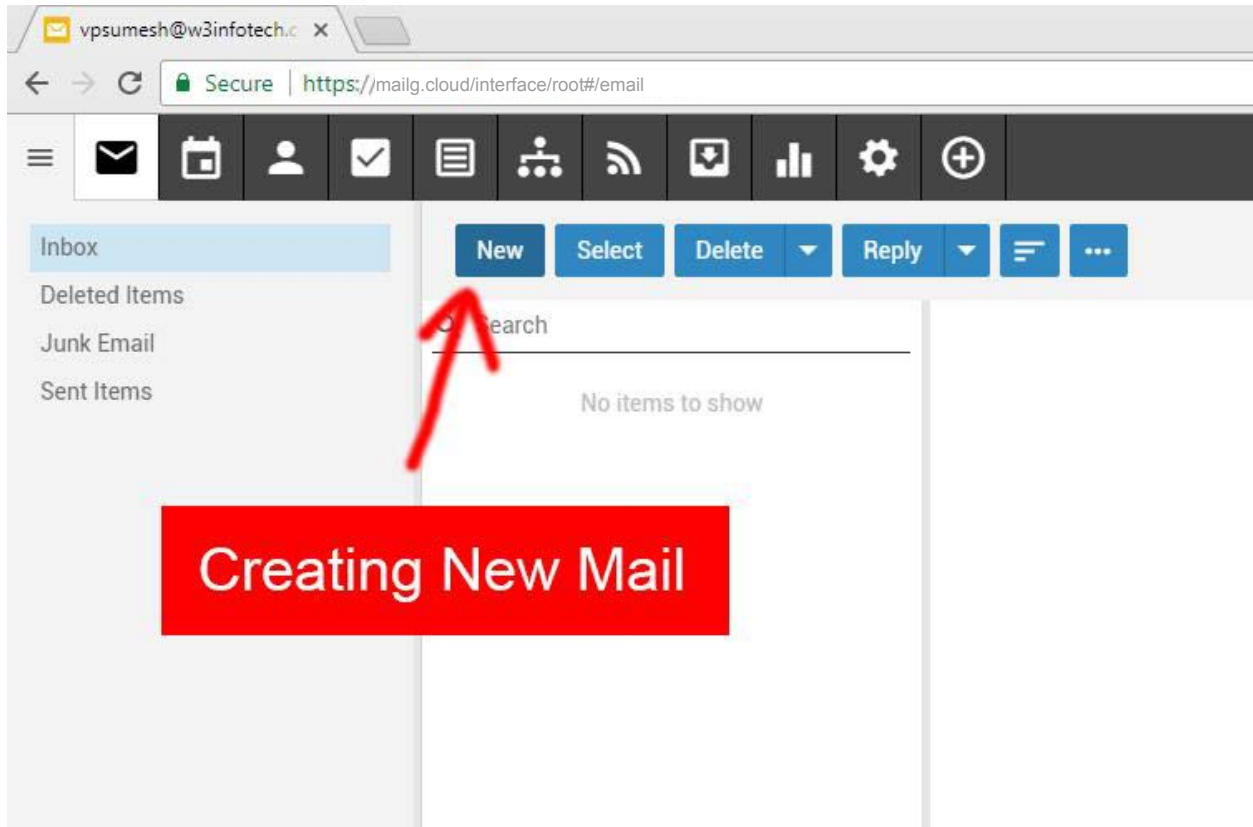

STEP 2

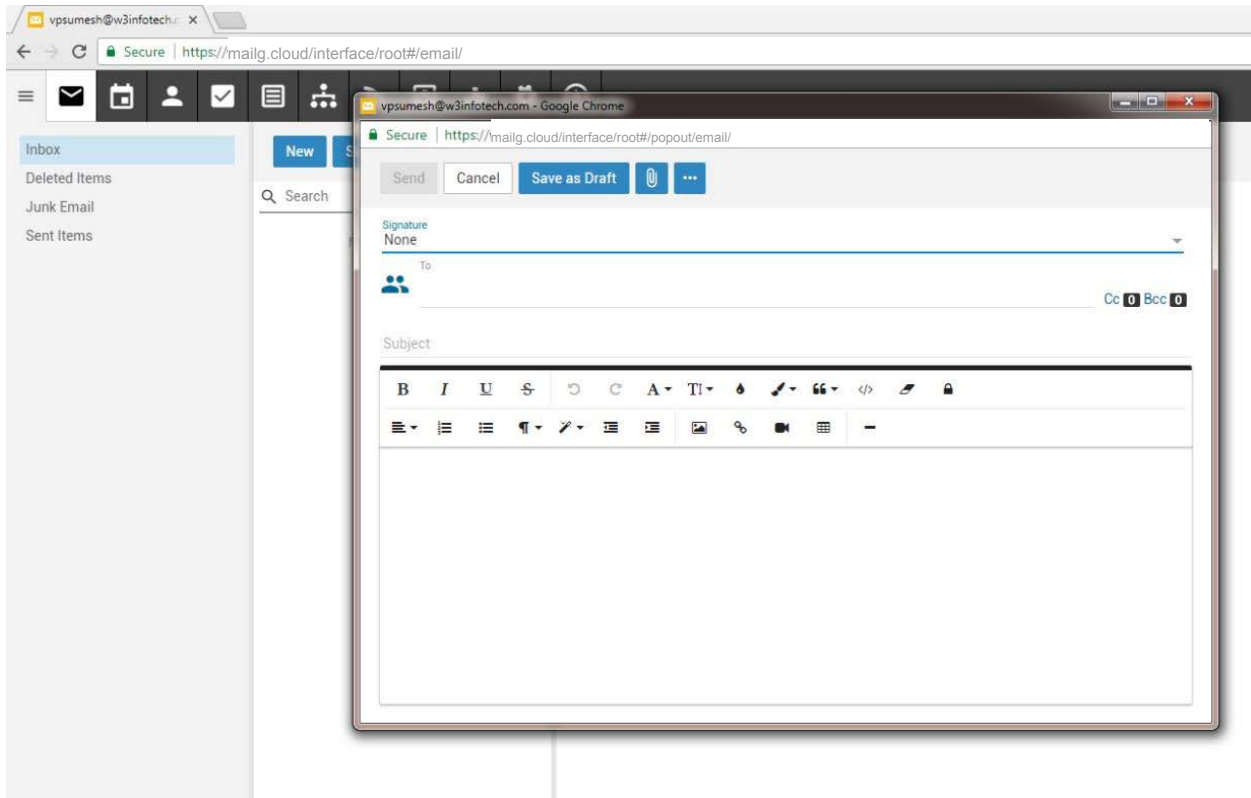

After LOGIN, click **Email tab** as shown below to open emails

STEP 3

Click **New** to start a new email *message* composing

STEP 4

Click Inbox to check any *New Messages*
